

DIGESTIVO

A SICILIAN AFTER-DINNER RITUAL

My Nonno and Nonna loved sipping their favourite Italian liqueurs (amaretti, limoncello and nocello) over ice.

We invite you to try a post-dinner 'digestivo', served on the rocks with a wedge of orange or lemon.

My Nonno (second from the left) and his four brothers. When they arrived from Italy, Nonna told them to 'pose with a kangaroo' so they would appear more Australian.

BENVENUTA

Welcome to Bar Infinita, your local Italian spot for al fresco aperitivo, homemade cooking and delicious woodfired dishes to share.

We have been inspired by the recipes and rituals passed down from my Nonna and Nonno, who emigrated to Australia after World War II from Salina Island, just north of Sicily. We hope you enjoy our curated list of Amalfi-style cocktails, Italian wines and traditional liqueurs.

Saluti!
